## WORK EXPERIENCE

Executive – Digital & Technical Operations **Aug 2025 – Present**
**Teach To India Publication** **Saharanpur, Uttar *Pradesh, India***
Full-Time - On-Site

- Promoted from an 11-month internship to a full-time role for strong performance and fast learning, managing IT support, digital content, website coordination, and pre-press operations.
- Executed digital operations with high accuracy, implementing data security practices and coordinating cross-functional projects to ensure smooth workflow and timely delivery.

Web & Digital Marketing Intern **Sep 2024 – Aug 2025**
**PANWAR AVOCADO TECH PLC** **Saharanpur, Uttar Pradesh, India**
Full-Time - On-Site (Ethiopia – Based Company)

- Developed and maintained 2 WordPress websites with plugin integration and responsive improvements.
- Designed 10+ marketing graphics, supported SEO initiatives, managed 10,000+ Excel records, used AI tools (ChatGPT, Gemini) for content creation, and coordinated a 6-member team.

Data Entry Specialist **May 2025 – July 2025**
**Anarus** **Eden Prairie, Minnesota, United States**
Full-Time - Remote (Evening)

- Balanced a full-time evening role alongside a daytime web development internship while processing 5,000+ records with 99% accuracy through data verification and cleanup.
- Used Microsoft Excel for sorting, filtering, and report generation, reducing data handling time by 20%, collaborating with a 52+ member team to exceed processing targets.

## PROJECTS

**Auragaint E-commerce Website** **https://auragaint.com**

- Built and managed a WordPress/WooCommerce e-commerce website with product, pricing, and inventory management while customizing themes and plugins to improve functionality and user experience
- Designed a responsive UI, integrated a secure payment gateway, and implemented SEO techniques to enhance transaction security and search visibility

**T-shirt Selling Ecommerce Website** **https://tshirt.auragaint.com**

- Developed a responsive T-shirt e-commerce website using HTML, CSS, JavaScript, PHP, and MySQL, implementing product listings, shopping cart, and secure checkout functionality.
- Designed a user-friendly UI and built an admin panel to manage products, orders, and users efficiently.
